Teams will identify as many different species of birds as they can in a 24-hour period in May. Pledges can be a total amount or pledge a certain dollar amount per species identified (about 100 to 141). A Richmond Audubon Society member will be in touch about collecting pledges at the beginning of June. Audubon's Bird-a-thon proceeds go to fund Richmond Audubon Society projects. Gifts are tax deductible as allowed by law. ***Thank you for supporting the RAS Bird-a-thon and conservation in Virginia!*** We'll send out a tally list of all the birds we identified and the Bird-a-thon highlights. Donations are tax deductible as allowed by law.
